Writing
How do I improve my writing?

Scene 1
When you first start college, a written assignment can seem scary. With so many steps, it’s easy to put it off until later.
[A student sitting on a pile of work]

Scene 2
Luckily, writing becomes easier when you know where to start.
[Student standing at a starting line]

Scene 3
Writing strategies can help you break down your assignments into stages allowing you to plan out what you want to say, write it down, and finally, revise the finished product.
[Bulleted List of steps mentioned]

Scene 4
Thanks for Watching
[Student Cheering]
