Using Copyright-Protected Works for Tests or Exams

The Copyright Act includes an exception for educational institutions that permits the Reproduction, Translation, Communication, and Performance of copyright-protected works for use in tests and exams.

*Refer to Section 29.4(2) of the Copyright Act.

**Reproduction**: Images, diagrams, or text from a copyright-protected work can be copied.

**Translation**: Passages of text from a copyright-protected work can be translated into another language.

**Communication**: You may make a copy or translation of a copyright-protected work available to your students by posting the test or exam on your college’s learning management system.

**Performance**: Showing a film in the classroom or having your student re-enact a scene from a play is permitted.

**Always cite your source!** Remember to acknowledge the source and author of the copyright-protected work that has been reproduced, translated, communicated, or performed.

Properly cited tests and exams can be:

- Distributed to students in your classroom in paper format.
- Posted to your college’s learning management system in digital format.

For more information, always refer to your college’s copyright practices or ask the person designated by your college to answer copyright questions. Your college library is a good place to start!
